A diagram of the Earth showing the Northern and Southern Hemispheres. The Northern Hemisphere is shaded in yellow and green, while the Southern Hemisphere is shaded in blue. A horizontal line represents the equator. Two other horizontal lines, one above and one below the equator, represent additional latitude lines. A yellow arrow points upwards from the equator, and a blue arrow points downwards from the equator. The text 'Hémisphère Nord' is written in white with a blue outline in the upper half, and 'Hémisphère Sud' is written in white with a blue outline in the lower half. The text 'Nord' is written vertically in yellow on the upward arrow, and 'Sud' is written vertically in blue on the downward arrow. In the bottom left corner, there is a yellow box with the text '3 parallèles'. In the bottom right corner, there is a black box with the text 'Repères Niveau 1'.
